Statement of Verification of Data Contained Within this Document

I, Nicole S. Suard, Esq, Managing Member, of Snug Harbor Resorts, LLC certify and confirm, under penalty of perjury, that the documents contained in the Exhibits were compiled by me for the original purpose of educational research, and are submitted as evidence of the existence of research and data compiled by others that should be considered as applicable to possible negative impacts from ongoing and proposed actions or modifications to Sacramento River flows in the Delta, related to California WaterFix Water Rights hearings. I certify that data as uploaded into Exhibit files are exact screen prints, with the online location link added to the screen print. If additional notation or data was added to screen print as notations, such additions are noted on the screen print(s).
