BOARD OF DIRECTORS
GLENN VALLEY WATER DISTRICT
RESOLUTION NO. 2004-

RESOLUTION APPROVING SUBCONTRACT UNDER THE LONG-TERM
RENEWAL CONTRACT BETWEEN THE UNITED STATES AND THE COUNTY OF
COLUSA AND APPROVING NOTICE OF EXEMPTION UNDER THE CALIFORNIA
ENVIRONMENTAL QUALITY ACT

AS A BASIS AND PREMISE for this Resolution, the Board of Directors of the GLENN VALLEY WATER DISTRICT("District") finds and states as follows:

1. On November 18, 1975 the County of Colusa ("County") and the United States of America entered into a contract providing for water service, designated Contract No. 14-06-200-8310A ("Original Contract").

2. Water service to the District, as a "Member Unit" under the Original Contract was originally approved by the County on November 4, 1980, and has continued uninterrupted since then.

3. The Original Contract expired on February 28, 1995.

4. In advance of the expiration of the Original Contract, the County and the United States negotiated an Interim Renewal Contract ("IRC"), in accordance with the Central Valley Project Improvement Act, pending completion of a Programmatic Environmental Impact Statement ("PEIS"). The interim renewal applied to all the subcontracts, as well.

5. Upon completion of the PEIS, the United States announced its intent to negotiate a long-term renewal of the Original Contract.

6. The County and the United States engaged in a series of negotiations

commencing in 1999 and completed in 2004. A copy of the proposed Long-Term Renewal Contract, designated Contract No. 14-06-200-8310-A-LTR1 is on file with the Colusa County Board of Supervisors and the District and this Board has reviewed it.

7. The Renewal Contract reflects the results of the negotiations and contains the terms and conditions that the County and the United States have tentatively agreed upon. The County and the United States intend that the Renewal Contract will be ready for execution no later than March 1, 2005, and will be effective as of that date.

8. As set forth in the Renewal Contract, the County and the United States entered into subcontracts for the resale and distribution of all of the Project Water with the Member Units, including one for this District. The District's subcontract was renewed at the same time as, and in accordance with, the first and all subsequent Interim Renewal Contracts. The District has fully complied with the terms and conditions of its subcontract.

9. In addition to and concurrent with the negotiations between the County and the United States, the District and the United States negotiated a form of renewal subcontract ("Renewal Subcontract"), the form of which is attached hereto as Exhibit "A". The Renewal Subcontract is consistent with both the form and substance of the District's original subcontract, and with the Renewal Contract.

10. Prior to execution of the Renewal Contract, the United States must publish the proposed contract for a 60-day public review, complete analysis of renewal of the contract under the National Environmental Policy Act and complete consultations with other federal agencies under the federal Endangered Species Act.

11. The Board of Supervisors of the County of Colusa has been presented

with the Renewal Contract, and the District expects the Board of Supervisors to approve that form and the form of Renewal Subcontract.

12. For reasons that the District has determined in connection with the previous renewals of its Subcontract, and recognizing that the Renewal Subcontract will continue delivery of water to the District in essentially the same manner as has existed previously, adoption of a Notice of Exemption in the form and substance attached hereto and incorporated herein by this reference as Exhibit B under the California Environmental Quality Act ("CEQA") is appropriate.

13. It is in the best interests of the District that its subcontract with the County of Colusa be renewed and that it execute, at the appropriate time, the Renewal Subcontract.

NOW, THEREFORE, be it RESOLVED, ADJUDGED and ORDAINED that:

1. The Board of Directors of the GLENN VALLEY WATER DISTRICT approves the *Subcontract between the County of Colusa and the Glenn Valley Water District Providing for Resale of Water Under Contract Between the United States of America and the County of Colusa*, Contract No.1-07-20-W0219-R1, attached hereto as Exhibit "A".

2. Once the 60-day public review period and the United States' environmental review and ESA consultations are completed, if the United States presents the District with a Renewal Subcontract that is in substantially the same form as that attached hereto as Exhibit "A", then the President of the Board of Directors or any other District official is authorized to execute that Renewal Subcontract, without further action by this Board.

3. The Secretary shall prepare and file a Notice of Exemption under CEQA in the form attached hereto as Exhibit B with the Colusa County Clerk as soon as possible. In accordance with this finding of exemption, no fee is due under California Fish and Game Code

accordance with this finding of exemption, no fee is due under California Fish and Game Code Section 711.4.

4. The Secretary shall forthwith prepare and transmit a certified copy of this Resolution to Reclamation.

5. The President of the Board and other District officials and consultants are authorized and directed to do all things necessary and appropriate to carry out this Resolution and to ensure continued and uninterrupted water service to the District under the County's water service contract.

PASSED AND ADOPTED at a regular meeting on May 24, 2004,
2004 of the Board of Directors by the following vote:
