Dear Mr. Crader:

In response to your Jan. 7 email, American Rivers and Natural Heritage Institute recommend a geographic approach to panel topics: (1) outflow, (2) San Joaquin inflow, and (3) Sacramento inflow.

We recommend that the Board defer any decision on panel composition until after it has received the Feb. 16 submittals.

In this submittal, we have coordinated with Environmental Defense Fund, Natural Resources Defense Council, The Bay Institute, and The Nature Conservancy..

Respectfully submitted,
Richard Roos-Collins
