**Subject: Delta Flow Criteria Informational Proceedings**

Ladies and Gentlemen:

The Delta Science Center at Big Break is pleased to submit the enclosed package providing information towards setting Delta Flow Criteria. We are a 501c3 corporation and represent citizens that live and work in the Delta area.

The recommendations we have provided are the result of mostly new information which is enclosed in its entirety. We hope that you will find it useful. We are planning to participate in the proceedings in March, and are prepared to provide answers to questions as they may arise. I am available by return email, [srlindy@pacbell.net](mailto:srlindy@pacbell.net), or via telephone at (925) 625-6097.

Thank you for this opportunity.

Sincerely:

Thomas E. Lindemuth, Board President  
Delta Science Center at Big Break
