ADMINISTRATIVE CIVIL LIABILITY COMPLAINT

In the Matter of Failure to File Supplemental Statements of Water Diversion and Use by

Rio Vista Ranch, LLC

Statement Number: S017486

SOURCE: Salinas River

COUNTY: San Luis Obispo

YOU ARE HEREBY GIVEN NOTICE THAT:

1. California Water Code sections 5100-5107 establish a program requiring persons who divert water from a surface stream or a subterranean stream flowing through a known and definite channel (with a few limited exceptions), to file a Statement of Water Diversion and Use (Statement).
2. Rio Vista Ranch, LLC (Diverter) has filed an initial Statement (Statement number S017486), as required by California Water Code section 5101, and is/are alleged to have violated California Water Code section 5104 subdivision (a), which states, in pertinent part:

Supplemental statements shall be filed at three-year intervals, prior to July 1 of the year next succeeding the end of each three-year interval...

3. Supplemental Statements of Water Diversion and Use (Supplemental Statements) are required by California Code of Regulations section 910 and 920 to be filed electronically on forms available at the State Water Resources Control Board (State Water Board) website. The State Water Board's website provides access to the Electronic Water Rights Information Management System for filing Supplemental Statements.
4. California Water Code section 5107, subdivision (c)(1) provides that the State Water Board may administratively impose civil liability in the amount of \$1,000 for the failure to file a Statement, plus \$500 per day for each additional day on which the violation continues if the person fails to file a Statement within 30 days after the State Water Board has called the violation to the attention of that person.
5. California Water Code section 1055, subdivision (a) provides that the Executive Director for the State Water Board may issue a complaint to any person or entity on whom Administrative Civil Liability (ACL) may be imposed. On May 17, 1999, the Executive Director delegated to the Deputy Director for Water Rights the authority to issue a complaint to impose an ACL under California Water Code section 1055, subdivision (a). Pursuant to State Water Board Resolution 2012-0029, the Deputy Director for Water Rights is authorized to issue an Order imposing an ACL when a complaint has been issued and no hearing has been requested within 20 days of receipt of the complaint. State Water Board Resolution 2012-0029 also authorizes redelegation of this authority from the Deputy Director for Water Rights to the Assistant Deputy Director for Water Rights. This authority has been redelegated.

ALLEGATIONS

6. Diverter is the primary owner for Statement S017486, filed with the Division on June 25, 2010 for a diversion of water under a riparian claim of right from Salinas River. Statement S017486 reports water use for irrigation of 80 acres of crops and pasture. Diverter noted that groundwater is conjunctively used with a surface water diversion.
7. On January 30, 2013, the Division of Water Rights (Division) mailed Diverter a letter notifying Diverter of the requirement to electronically file your Supplemental Statements for 2010, 2011, and 2012 no later than June 30, 2013.
8. On July 26, 2013, the Division mailed Diverter a second letter informing you that the Division had still not received Diverter's Supplemental Statements as of July 22, 2013, and the letter informed you of the potential monetary penalties.
9. On August 23, 2013, the Division mailed Diverter a third letter by certified mail which indicated that Diverter's Supplemental Statements had not been received by August 19, 2013. This letter identified that you were subject to a \$1,000 penalty, and if your report is not received within 30 days of the date you receive this letter, Diverter will be subject to an additional \$500 per day for each additional day the violation continues.
10. The Division's records show that the August 23, 2013 certified letter was delivered by the U. S. Postal Service on August 28, 2013 to Emily Williford.
11. On October 9, 2013, Division staff left a voicemail and sent an e-mail notifying the Diverter of the requirement to file their Supplemental Statements for 2010, 2011, and 2012.
12. On October 15, 2013, Ms. Jamie Kirk, Consultant, sent an e-mail to the Division stating that property ownership changed to Boneso Family Trust in February 2013. Division staff confirmed the property ownership change effective February 8, 2013, via ParcelQuest. Assessor Parcel Number (APN) 034-551-037 was split into two parcels: APN 034-411-018 remained under the ownership of Diverter, while APN 034-411-017 under ownership of Steve Boneso. Steve Boneso is also listed with the California Secretary of State's Office as the Agent for Service of Process for the Diverter. Accordingly, it is possible that the change in the legal entity that owns the property does not correspond with a change in the natural persons responsible for the diversion and use of water on the property.
13. On October 15, 2013, Ms. Jamie Kirk submitted Supplemental Statements for 2010 through 2012 that report an annual use of 300 acre-feet for each year for irrigation of 100 acres on behalf of Diverter. Ms. Kirk also confirmed that submission of a change in ownership for Boneso Family Trust, 5995 Martingale Circle, San Miguel, California 93451, effective February 2013. The new primary contact is Steve Boneso.
14. California Water Code section 5106, subdivision (b)(1) provides that the State Water Board may rely on the name and address included in Statements submitted under this part for the purpose of determining the names and addresses who are to receive notices with regard to proceedings before the State Water Board. The three notice letters discussed above were all sent to the name and address provided in initial Statement number S017486 filed by Diverter on June 25, 2010. Division staff confirmed that the mailing addresses on the three notice letters were correct.
15. California Water Code section 5106, subdivision (b)(2) provides that any person may submit, in writing, a request to the State Water Board to provide notification to a different address, and the State Water Board shall provide the notification to that address. This notice was provided to the State Water Board for S017486 on October 15, 2013 for Boneso Family Trust, 5995 Martingale Circle San Miguel, California 93451, effective February 2013.

16. California Water Code section 5104, subdivision (b) requires that if there is a change in the name or address of the person diverting the water, Supplemental Statements informing the State Water Board of that change in name or address must be filed. This notice of change in name and address of Diverter was filed with the State Water Board for S017486 on October 15, 2013 for Boneso Family Trust, 5995 Martingale Circle San Miguel, California 93451, effective February 2013.
17. As of October 15, 2013, Supplemental Statements have been filed for 2010 through 2012 on behalf of Diverter.

PROPOSED CIVIL LIABILITY

18. The deadline for submittal of the Supplemental Statements was June 30, 2013. California Water Code section 5107, subdivision (c)(1) provides that the State Water Board may administratively impose civil liability pursuant to section 1055 in an amount not to exceed \$1,000 for the failure to file a required Statement, plus \$500 per day for each additional day on which the violation continues if the person fails to file a Statement within 30 days after the State Water Board has called the violation to the attention of that person. Such notice was received by Diverter on August 28, 2013. Diverter failed to submit the required Supplemental Statements by September 27, 2013, the 30th day after receiving notice of the violation from the State Water Board.
19. As of October 15, 2013, Diverter filed Supplemental Statements and had been on notice for 48 days; therefore, Diverter is subject to civil liability in the amount of \$1,000 for the initial violation, plus \$500 per day for 18 additional days of violation (September 28, 2013 through October 15, 2013, inclusive), or \$9,000 (18 violations, for a total of \$9,000). The potential maximum liability for the violations alleged is \$10,000.
20. In determining the appropriate amount of a civil liability, California Water Code section 1055.3 requires that the State Water Board consider all relevant circumstances.
21. In this case, no Supplemental Statements were filed despite three notices being sent. Failure to comply with the Supplemental Statements reporting requirements in a timely manner harms the Division's ability to accurately track water diversions from the water course and effectively regulate the resources it is required to protect. Despite repeated notification to Diverter of the reporting requirements and potential liability for failure to submit Supplemental Statements, Diverter failed to comply in a timely manner.
22. Having taken into consideration all relevant circumstances, including but not limited to the Diverter's failure to timely submit the Supplemental Statements, the harm of the missing or untimely filed Supplemental Statements to the Division's effectiveness in regulating water diversions, staff costs associated with pursuing compliance, together with the overall need to preserve the integrity of the regulatory program, the Assistant Deputy Director of Water Rights recommends the imposition of \$10,000 in administrative civil liability (Proposed Liability).

CONDITIONAL SETTLEMENT OFFER

23. To promote resolution of the alleged Statement filing violations, the Assistant Deputy Director of Water Rights makes the following conditional settlement offer (Conditional Offer). Diverter can avoid further enforcement action and settle the alleged failure to file Statement of Water Diversion and Use violation/s by agreeing to comply with the terms of the Conditional Offer, provided below, as well as in the "Acceptance of Conditional Settlement Offer and Waiver of Right to Hearing or Reconsideration" (hereafter "Acceptance and Waiver") attached hereto as Exhibit "A."
24. The Conditional Offer requires Diverter to pay an expedited payment amount (hereinafter "Expedited Payment Amount") of \$500 and waive the right to a hearing and reconsideration of the alleged violations.

- 25. To accept the Conditional Offer, Diverter must sign and return the Acceptance and Waiver along with the Expedited Payment Amount.
- 26. If there are extenuating circumstances that Diverter would like to discuss, such as an inability to pay the Expedited Payment Amount, then you can contact the Division with that information as soon as possible but no later than the 20 days from receipt of this complaint.

RIGHT TO HEARING

- 27. Diverter may request a hearing on this matter before the State Water Board. Any such request for hearing must be received or postmarked within 20 days of the date that you receive this complaint. (Wat. Code, §1055, subd. (b).)
- 28. If Diverter requests a hearing, Diverter will have an opportunity to be heard and to contest the allegations in this complaint and the imposition of an ACL by the State Water Board. If a hearing is requested, separate notice setting the time and place for the hearing will be mailed not less than 10 days before the hearing date. The State Water Board may convene a settlement conference prior to noticing a hearing date.
- 29. If Diverter requests a hearing, the State Water Board will consider at the hearing whether to impose the civil liability, and if so, whether to adjust the proposed liability within the amount authorized by statute. Based on the evidence received at the hearing, the State Water Board may take any appropriate action in accordance with sections 100, 275, and 1050 et seq. of the California Water Code and/or its responsibilities under the public trust doctrine. Any State Water Board Order imposing an ACL shall be final and effective upon issuance.
- 30. If Diverter does not remit the Acceptance and Waiver and the Expedited Payment Amount or request a hearing within 20 days of the date this complaint is received, then the State Water Board will issue a final ACL Order and seek recovery of the liability imposed as authorized by California Water Code section 1055.4.

ORDER NO. 20xx-00xx-DWR

EXHIBIT A

**ACCEPTANCE OF CONDITIONAL SETTLEMENT OFFER
AND WAIVER OF RIGHT TO HEARING AND RECONSIDERATION**

Rio Vista Ranch, LLC
Source: Salinas River
County: San Luis Obispo

By signing below and returning this Acceptance of Conditional Settlement Offer and Waiver of Right to Hearing and Reconsideration (Acceptance and Waiver) to the State Water Resources Control Board (State Water Board), **Rio Vista Ranch, LLC** (Diverter) hereby accepts the State Water Board's conditional settlement offer (Conditional Offer) and waives the right to a hearing before and reconsideration by the State Water Board at which violations alleged in the Administrative Civil Liability Complaint issued to Diverter (ACL Complaint) to which this Acceptance and Waiver is attached as Exhibit "A" could be disputed.

Diverter agrees to perform the following within 20 days of receipt of the ACL Complaint:

- **Pay administrative civil liability as authorized by California Water Code section 5107, subdivision (c) in the amount of \$500** by cashier's check or by certified check made payable to the "State Water Resources Control Board" for deposit into the Water Rights Fund, which shall be deemed payment in full of any civil liability pursuant to California Water Code section 5107, subdivision (c) that otherwise might be assessed for the violations described in the ACL Complaint.

Diverter understands that this Acceptance and Waiver waives the Diverter's right to contest the allegations in the ACL Complaint and the civil liability amount proposed for those violations.

Diverter understands that the failure to submit payment of the Expedited Payment Amount, as identified and described above, along with the signed Acceptance and Waiver within 20 days of receipt of this notice shall render the State Water Board's Conditional Offer void. If the State Water Board's Conditional Offer is deemed void due to Diverter's non-performance, then the State Water Board will issue a final ACL Order and seek recovery of the full liability amount proposed in the ACL Complaint.

Diverter understands that this Acceptance and Waiver does not address or resolve liability for any violation that is not specifically identified in the ACL Complaint. The filing of a Statement of Diversion and Use with the State Water Board does not in any way establish or constitute evidence of a right to divert or use water. (Wat. Code, § 5106, subd. (a).)

Upon execution by Diverter, the Acceptance and Waiver and Expedited Payment Amount shall be mailed to the following:

**Conditional Settlement Offer
State Water Resources Control Board
Division of Water Rights
Enforcement Section
P. O. Box 2000
Sacramento, CA 95812-2000
Attn: John O'Hagan**

Diverter understands that this Acceptance and Waiver is not final until it is formally endorsed by the Division of Water Rights.

I hereby affirm that I am duly authorized to act on behalf of and to bind the Diverter in the making and giving of this Acceptance and Waiver.
