ORDER WR 2025-0017-DWR

ADMINISTRATIVE CIVIL LIABILITY ORDER

In the Matter of Allegations of Violations of the Following:

Failure to File a Statement of Water Diversion and Use (Water Code section 5101), Cannabis Cultivation Policy Requirements Adopted Pursuant to California Water Code section 13149, and Diversion or Use of Water for Cannabis Cultivation for which a License is Required (Water Code section 1847(b)(4))

Jason Anderson

APN: 012-6220- 610-000

COUNTY: MENDOCINO

The Acting Assistant Deputy Director of the Division of Water Rights (Division), acting under authority delegated by the State Water Resources Control Board (State Water Board), hereby issues an Administrative Civil Liability Order (Order) to Jason Anderson (Diverter) pursuant to California Water Code section 1055, subdivision (c), based on the allegations made in an Administrative Civil Liability Complaint dated August 15, 2025.

THE STATE WATER BOARD, OR ITS DELEGEE, FINDS AS FOLLOWS:

1. The Diverter is the owner of record for Mendocino County Assessor Parcel Number (APN) 012-620-610-000 (hereinafter the Property) and has been the owner of record at all times relevant here.
2. On August 15, 2025, the Acting Assistant Deputy Director, acting under authority delegated by the Executive Officer of the State Water Board, issued an Administrative Civil Liability Complaint (Complaint) to the Diverter pursuant to Water Code section 1055.
3. A copy of the Complaint is attached to this Order and incorporated by reference as if fully set forth herein.

4. The Complaint alleges that the Diverter failed to submit a Statement of Water Diversion or Use (Statement) as required under Water Code section 5101, violated certain Cannabis Cultivation Policy requirements adopted pursuant to Water Code section 13149, and diverted and used water for commercial cannabis cultivation for which a license was required but not obtained. After considering all relevant circumstances pursuant to Water Code section 1055.3 and 5107, subdivision (e), the Complaint proposes an administrative civil liability in the amount of **\$19,000**.
5. The Division served the Complaint to the Diverter via United States Postal Service certified mail on August 18, 2025.
6. Pursuant to Water Code section 1055, subdivision (b), the Complaint notifies the Diverter of the ability to contest the allegations in the Complaint by submitting a written request for a hearing not later than 20 days from the date of service of the Complaint, and that the State Water Board may adopt an order setting administrative civil liability based on the allegations set forth in the Complaint without a hearing if the Diverter does not submit a timely hearing request.
7. The Diverter did not submit a timely hearing request, and the time to do so has passed. Therefore, pursuant to Water Code section 1055, subdivision (c), the State Water Board may adopt an order setting administrative liability based on the allegations set forth in the Complaint without a hearing.
8. The State Water Board has delegated the authority to the Deputy Director of Water Rights to issue an order imposing administrative civil liability when a complaint has been issued and no hearing has been requested. (State Water Board Resolution No. 2012-0029, Section 4.9.2.) The State Water Board has authorized the Deputy Director to redelegate this authority. The Deputy Director redelegated this authority to the Assistant Deputy Director.
9. Pursuant to Water Code section 1055, subdivision (d), orders setting administrative civil liability shall be effective upon issuance.

IT IS HEREBY ORDERED THAT:

1. The allegations contained in the attached Administrative Civil Liability Complaint are incorporated as findings in this Order as if fully set forth herein.
2. Diverter shall remit, within 30 days of the date of this Order, a check or money order payment of the full penalty of **\$19,000** to:

State Water Resources Control Board
Division of Water Rights
Enforcement Section
P.O. Box 2000
Sacramento, CA 95812-2000

3. Fulfillment of Diverter's obligations under this Order constitutes the full and final satisfaction of the liability for the alleged violations specifically identified in the Complaint. The State Water Board reserves the right to take further enforcement action for any future violations.
4. The Acting Assistant Deputy Director is authorized to seek recovery of the liability imposed, as authorized by California Water Code section 1055.4, or refer this matter to the Office of Attorney General for further enforcement action if Diverter fails to comply with remitting payment of the full penalty within 30 days of the date of this Order.
