The purpose of the inspection was to observe the diversion and use of water occurring on the Property and to evaluate potential impacts to the watershed. Division staff observed ground water as the sole source of water in use on the property.

You are identified as the property owner for Mendocino County Assessor's Parcel Number (APN) 034-100-47-00. The Division is contacting you to provide you notice that at the time of inspection, Division staff identified violation(s) of the California Water Code (WC) and the State Water Board's Cannabis Cultivation Policy (Policy) requirements on your property. The purpose of this letter is to gather information, provide you notice that your groundwater well use is still required to comply with requirements detailed in the State Water Board's Policy and to inform you of your regulatory compliance options, and potential for administrative enforcement action. This letter is your notice that you are in violation of the Policy requirements. You must take immediate action to come into compliance or risk civil liability.
