In the Matter of Water Right Application 31840

**Rodgers Land and Development Co.**

**ORDER CANCELING WATER RIGHT APPLICATION**

---

SOURCE: Two unnamed streams tributary to Conn Creek thence Napa River thence San Pablo Bay  
COUNTY: Napa

---

**WHEREAS:**

1. Rodgers Land and Development Co. (Applicant) filed a water right application with the State Water Resources Control Board (State Water Board), Division of Water Rights (Division), on July 1, 2010, requesting the right to divert 8 acre-feet from two unnamed streams tributary to Conn Creek thence Napa River thence San Pablo Bay.
2. On January 22, 2013, the Division received notice from the Applicant requesting cancellation of Application 31840.
3. Pursuant to Resolution No. 2012-0029, the State Water Board has delegated authority to the Deputy Director for Water Rights (Deputy Director) to cancel applications. (Resolution No. 2012-0029, section 4.5.2.) Resolution No. 2012-0029 authorizes the Deputy Director to redelegate this authority, and this authority has been so redelegated by memorandum dated July 6, 2012.

**THEREFORE, IT IS ORDERED THAT APPLICATION 31840 IS HEREBY CANCELED.**

Applicant shall document any diversions made under claim of right independent of a permit, license, registration or certification issued by the State Water Board, such as diversions under riparian or pre-1914 rights. With limited exceptions, Water Code section 5101 requires that a Statement of Water Diversion and Use be filed for these diversions. Water Code section 5107 (c)(1) provides that the State Water Board may impose a civil liability of \$1,000, plus \$500 per day for each additional day on which the violation continues if the person fails to file a statement within 30 days after the board has called the violation to the attention of that person. These penalties are in addition to any penalties that may be imposed if the diverter does not hold a valid right or diverts in excess of what is authorized under that right.
