

State Water Resources Control Board

AGENDA

STAFF WORKSHOP ON PROPOSED REGULATION MODIFYING WATER RIGHT OWNERSHIP NOTICE REQUIREMENTS AND REPORTING DATES

Date: August 23, 2022

Time: 10:00 a.m. PDT

Listen-only: <https://video.calepa.ca.gov>

To provide oral input: <https://waterboards.zoom.us/j/93667897895>

The purpose of this staff workshop is to provide (1) an overview of proposed regulation modifying water right ownership notice requirements and reporting dates and (2) an opportunity for public comment and questions. On July 15, 2022, the Office of Administrative Law published a Notice of Proposed Rulemaking concerning the State Water Resources Control Board’s proposed regulation modifying water right ownership notice requirements and reporting dates. As noted in the staff workshop notice published on the State Water Resources Control Board’s website and sent via email, public comment will be limited to three minutes per person.

TIME*	AGENDA ITEM
10:00 - 10:15 a.m.	Introduction and Staff Workshop Logistics (Molly Williams, Environmental Scientist, State Water Resources Control Board)
10:15 - 10:30 a.m.	Overview of Proposed Regulations (Michael George, Delta Watermaster, Office of the Delta Watermaster)
10:30 - Noon	Opportunity for Public Comment and Questions on Proposed Revised Regulations
