NOTICE OF VIOLATION AND REPORT OF INSPECTION FOR WATER RIGHT ID A013631 - SISKIYOU COUNTY

Dear Mr. Crawford:

On July 8, 2022, staff from the State Water Resources Control Board (State Water Board), Division of Water Rights (Division), conducted an inspection of the property referenced above (Property). The purpose of the inspection was to observe the diversion and use of water occurring on the Property and to evaluate potential violations of the curtailment order issued in the Shasta River Watershed.

Enclosed is the Inspection Report (Report) for your Property that includes Division staff observations, alleged violations and the corrective actions necessary for compliance with the emergency regulations. The enclosed Report constitutes your notice of the alleged violations. The information below is a summary of the alleged violations included in the Report.

Summary of July 8, 2022 Inspection

1. Curtailment in Shasta River was reimposed on March 15, 2022. You admitted to using water up until May 23 or May 24, then ceased because your pump broke.
2. You must continue to cease diversions until the curtailment order is lifted. You also must submit the curtailment certification form immediately. Instructions on how to submit your curtailment certification form can be found here:
https://www.waterboards.ca.gov/drought/scott_shasta_rivers/

The State Water Board retains the authority and discretion to take enforcement action based on the facts and allegations contained herein and you may be subject to further enforcement action before the State Water Board; therefore, this matter requires your immediate attention.

E. JOAQUIN ESQUIVEL, CHAIR | EILEEN SOBECK, EXECUTIVE DIRECTOR
