Ladies and Gentlemen:

AD HOC STAKEHOLDERS WORKING GROUP INVITATION

The State Water Resources Control Board (SWRCB) invites you, or your designated representative, to participate in the ad hoc Stakeholders Working Group being formed to present recommendations for revisions to the SWRCB's existing water right fee regulations. You have been selected either because you volunteered during the May 17, 2004 workshop or you represent a specific stakeholder group that may be affected by revisions to the water right fees. Other parties shown on the enclosed mailing list represent other stakeholders who have been invited to participate in the working group.

We request that you inform us if you accept our invitation so that we can confirm all members of the working group as soon as possible. If your organization or association represents multiple stakeholders, you are asked to designate a single person and an alternate from your membership that is directly affected by the fees. It is anticipated that an initial introduction and scoping meeting will be scheduled this week. Please note that expenses dedicated to this effort cannot be compensated by the SWRCB.

Victoria Whitney, Chief of the Division of Water Rights, and other Division staff, as necessary, will assist the working group throughout this process. Please contact Ms. Whitney's assistant, Jeanice Tipps, at (916) 341-5302, or via email at jtipps@waterrights.swrcb.ca.gov, with your decision. Thank you for your cooperation in this important matter.

Sincerely:
