### **Comment Letter – October 22, 2013 Board Meeting – 2014 IUP**

Dear Mrs. Townsend:

The California Department of Transportation (Caltrans) appreciates the opportunity to comment on the Notice of Opportunity regarding the *Proposed Adoption of the Intended Use Plan (IUP) for the Clean Water State Revolving Fund (CWSRF) for Federal Fiscal Year (FFY) 2014*. The FFY 2014 IUP outlines the State Water Board's business plan for the CWSRF Program during FFY 2014, and identifies available funding, the projects the State Water Board anticipates financing, the associated financing terms, and the measures that will be used to track the CWSRF Program's performance.

The Caltrans Local Development-Intergovernmental Review (LD-IGR) Program is your partner in stewardship of the public interest, our part of which is the present and future mobility needs of California. We offer the following comments at this time:

#### ***General Comments***

Discrepancy exists within Section VI. B. Table 2: CWSRF Project Financing Forecast for FFY 2014 on page 28. Project number 7887-110 "Wastewater Treatment Plant Solar Feasibility Study" is listed as being in Region 3. The City of Live Oak is in Region 5.
