State Water Resources Control Board

February 2018

**ACTION REQUIRED: ANNUAL WATER USE REPORTING FOR 2017**

RICHARD L JENNINGS  
PO BOX 595  
MAXWELL, CA 95955

Dear RICHARD L JENNINGS:

**The State Water Resources Control Board (State Water Board) Division of Water Rights (Division) has determined that you are the legally responsible party for the Water Right(s) listed on the following page(s) and you must complete online reporting for your 2017 water use.**

State law requires that Water Right holders electronically file water diversion and use reports each year (Cal. Code Reg, tit. 23, §910). The information you report is critical in managing California's most vital natural resource, and we appreciate your cooperation.

**To report, go online to:** [www.rms.waterboards.ca.gov](http://www.rms.waterboards.ca.gov) and login with your Water Right ID and Password (see below). For assistance with reporting online, see the Report Management System (RMS) training videos at: [www.waterboards.ca.gov/videos/rms.html](http://www.waterboards.ca.gov/videos/rms.html). You must file a separate report for each Water Right ID. Do not combine information for multiple Water Right IDs on one report.

**Measurement Requirements Reminder:** As part of their 2017 water use reporting, parties who divert or are authorized to divert 10 or more acre-feet per year are required to provide information on their measurement device. More information is available at: [www.waterboards.ca.gov/waterrights/measurement.html](http://www.waterboards.ca.gov/waterrights/measurement.html).

If you do not file your report on time, you may be liable for a violation in the amount of \$500 for each day in which the violation occurs (Water Code section 1846). Previous enforcement actions for failure to comply with the State Water Board's reporting regulations have resulted in fines of up to \$10,000. To avoid receiving an Administrative Civil Liability Complaint (fine) for failure to file, please complete your 2017 use reports by the appropriate due date (see below).

If you have questions please contact Division Staff by email at: [ewrims@waterboards.ca.gov](mailto:ewrims@waterboards.ca.gov) or by phone at: (916) 323-9393.

Sincerely,

Eloise Berryman, Manager  
Reporting and Data Management Unit
