SUBJECT: CANCELLATION OF DECEMBER 22, 1994 MEETING

This is a reminder or notice (depending on your attendance at recent meetings) that the December 22, 1993 meeting of the Technical Committees is cancelled. The next Technical Committees meeting will be scheduled based on a recommendation from the Modeling Subcommittee which is meeting on December 21, 1993. I am anticipating that the next Technical Committees meeting will be in mid to late January 1994. Also, please be aware that the next Policy Committees meeting is tentatively scheduled for February 16, 1994 at 7:00 p.m. in Santa Barbara at the Community Development Public Meeting Room (the location of the first Technical Committees meeting).
