**Subject:** CEase and Desist the CDO for Monterey

To Whom IT May Concern:

As a Monterey County resident, business owner and home owner in Pebble Beach, I am categorically opposed to CDO proposed by the state. This callous act on your part will have a catastrophic negative impact on the quality of life and economic base of our community.

I respectfully request that you NOT implement this CDO and trust that Monterey will be in full compliance within the proper time limits. To do otherwise, is to invite a disastrous situation and a long and expensive court battle.

Respectfully,  
RC Kramer
