---

Board members:

As I understand your revised Cease and Desist Order my showers and laundering will be extremely limited, my plants will die and I will suffer numerous other, unknown at this time, inconveniences and costs.

Your draft order is a ridiculous, misguided response to a Cal-Am Water violation. It is unconscionable and hopefully illegal to so effect so many.

Please reconsider your draft order and email to me the names and email addresses of each of the Board Members.

Kent Olsen
