Comments: I do not have a scanner. Consequently I am submitting this format and NOI information to Chief Charles Lindsay of the Division of Water Rights. I am requesting that Chief Lindsay consult with Mr. Buck Taylor regarding whether this document is legally acceptable to the SWRCB. Because of the fast track process by the SWRCB, a mailed NOI will not be received in time for the deadline date. Consequently this filing is

being made by electronic service. Secondly all exhibits and evidence by the California Salmon and Steelhead Association will be submitted to the Division of Water Rights by March 30, 2008. We plan to attend the pre-hearing conference by teleconference service. Please forward the pre-hearing conference telephone number to me.
