Subject: California American Water Hearing - ruling on exhibits and page limits

Hearing Participants:

The Hearing Officers have decided NOT to take official notice of Monterey Peninsula Water Management District's Exhibits MPWMD-DF14 through MPWMD-DF19. Therefore, the District's request to submit the exhibits into evidence is denied.

California American Water's request for an extension on the page limit for its closing brief is denied. As stated at the close of the hearing, the page limit for closing briefs is 25 pages for the Prosecution Team and California American Water and 15 pages for all other parties.
