

Participant Monterey Peninsula Water Management District**Exhibit Identification Index**

Exhibit No.	Description	Status as Evidence		
		Introduced	Accepted	By Official Notice
MPWMD #1	Curriculum Vitae of Ernesto A. Avila			
MPWMD # 2	Letter dated December 1, 1997, from MPWMD to SWRCB re: Order 95-10, Condition 6, reviewing report on Carmel Valley Filter Plant (Fugro, September 1996)			
MPWMD #3	Letter dated September 15, 1999, from MPWMD to SWRCB re: Order 98-04, Condition 3, reviewing report on reconfiguration of lower Carmel Valley wells (DDA, June 1999)			
MPWMD #4	Petition for Reconsideration by MPWMD regarding Order 2001-04-DWR, May 17, 2001			
MPWMD #5	Curriculum Vitae of David H. Dettman			
MPWMD #6	Figure of number of adult steelhead at San Clemente Dam, 1962-2001			
MPWMD #7	Figure of Carmel River juvenile steelhead population density, 1973-2000			
MPWMD #8	Figure of annual number of steelhead rescued in the Carmel River Basin, 1989-2001			
MPWMD #9	Tables of Cal-Am lower Carmel Valley wells daily production reports, May, June and July 2001			
MPWMD #10	Figure of schematic of steelhead life cycle			
MPWMD #11	Figure of historical mean daily diversions from San Clemente Reservoir, Oct. 1998-July 2001			
MPWMD #12	Figure of steelhead rearing index with and without diversion, June-December for years 1995-1999			
MPWMD #13	Figure of steelhead rearing capacity with and without diversion, June-December for years 1995-1999			
MPWMD #14	Figure showing relationship between streamflow and spawning habitat in 1992 and 1998, Narrows to San Clemente Dam			
MPWMD #15	Figure showing relationship between streamflow and spawning habitat based on substrate conditions, Narrows to San Clemente Dam			
MPWMD #16	Figure of incubation protection flow versus spawning flow			
MPWMD #17	Table of simulated natural flows at the Narrows, 1958-1996			
MPWMD #18	Table of average streamflow and incubation protection flows for selected periods, 1958-1996			
MPWMD #19	Table of flow available for diversion at San Clemente Dam in 1994 to support spawning and incubation			
MPWMD #20	Curriculum Vitae of Joseph W. Oliver			
MPWMD #21	Figure of nitrate concentration at De Los Helechos well, 1981-1991			
MPWMD #22	Table of Carmel River water quality, average and range, 1990-1996
