RE: Request for Postponement of Scheduled Hearing October 12, 2016

To Whom It May Concern,

The following request is derived from a compilation of discussions and correspondence between numerous parties at the offices of the State Water Resources Control Board, Division of Water Rights.

Following my discussion with Ken Petruzzelli earlier today I am formally requesting a suspension of the scheduled proceeding to be held on October 12, 2016 to allow Mr. Petruzzelli and myself to work out a proper settlement offer. Mr. Petruzzelli expressed his support of my request provided I send him a written offer adhering to the context of our most recent discussion earlier today. I shall endeavor to remit to Mr. Petruzzelli my offer to settle by close of business tomorrow October 5, 2016.

In closing, I hope all parties involved in making this decision will extend to me one more courtesy in granting this request. Thank you for your time and diligence in consideration of this matter.

Most Sincerely,

Stephen J. Peters

Nancy K. Donovan
