## Hearing Management Conference

---

**April 30, 2019**

1. Review Settlement Agreement discussion with all parties
2. Review hearing management plan
3. Review proposed amendments to permit application
4. Timing for hearing

Thomas M. Berliner for El Sur Ranch (Ranch) and Kevin Takei for the California Department of Fish and Wildlife (CDFW) will jointly address the items above. It is the Ranch and CDFW's expectation that discussion on each of the agenda items occur at whatever point in time makes sense to the Water Board and other parties. For example, discussion on a particular agenda item could occur during or immediately after presentation of that item.
