Maximum Monthly all diversion w/o A030166*: 468.04
 Maximum Monthly diversion w/o ESR diversions*: 19.77
 Maximum Monthly ESR diversions*: 448.26

Maximum Annual all diversion w/o A030166*: 6,137.2
 Maximum Annual diversion w/o ESR diversions*: 341.5
 Maximum Annual ESR diversions*: 4,593.0

NA = Not applicable, no diversion during month
 * Instantaneous diversion rate **bolded** when stated, otherwise values is averaged across period of diversion
 ** When maximum monthly exceeds maximum annual, maximum annual used in monthly calculation.
 *** 30-day average pumping rate of 5.34 cfs is proposed, maximum monthly diversions of 31.8 ac-ft is assumed.
 July to October rate of 230 ac-ft/month used.
