COURTESY NOTIFICATION OF SCHEDULING OF HEARING TO DETERMINE WHETHER PERMITS 19164 AND 19165 (APPLICATIONS 26306 AND 26307) SHOULD BE REVOKED - EMMERSON INVESTMENT INC. - SHASTA RIVER TRIBUTARY TO KLAMATH RIVER IN SISKIYOU COUNTY

The purpose of this letter is to provide you with advance courtesy notification, that a hearing has tentatively been scheduled to commence at the State Water Resources Control Board (State Water Board) regularly scheduled meeting date of July 21, 2009, in response to your request for hearing on the Notice of Proposed Revocation of water right Permits 19164 and 19165 (Application 26306 and 26307) held by Emmerson Investment, Inc.

Formal notice of the exact time and place of hearing will be given at least 45 days prior to that date. The formal notice of public hearing and all other documents related to this hearing will be posted at the following project dedicated website:
http://www.waterboards.ca.gov/waterrights/water_issues/programs/hearings/emmerson/

The purpose of this hearing is for the State Water Board to receive evidence relevant to determining whether Permits 19164 and 19165 (Applications 26306 and 26307) should be revoked, because the Permittee has failed to commence, prosecute with due diligence, and complete the work necessary to appropriate water under the permits, and because the Permittee has not made beneficial use of the water in accordance with the permits, the Water Code, and the State Water Board's regulations.

Since there will be a quorum present, the State Water Board may adopt an order at the close of the hearing.

If you have any questions, please contact me at (916) 341-5359.

Sincerely,
