

To the California State Water Resource Control Board
Proposed Revocation of permit 20863 (Application
30265)

of

Holt Family Trust

Unnamed Stream Tributary to Grizzly Gulch thence Oregon Creek

Thence Middle Yuba River, Sierra County California

January 16, 2013

Dear Kathleen Groody, Samantha Olson and Staff

I am responding to the notice sent to me for the proposed revocation of the above permit.

I would like to thank you for your patience in this matter and especially those of you who took the time to explain everything to me.

After careful consideration I have decided to not pursue an extension on our permit.

We will not be attending the hearing set for Tuesday, March 12, 2013. I apologize for any inconvenience this may have caused.

This was my husband Gary Holt's project and dream. Due to his disabilities from a fall down a flight of stairs which resulted in catastrophic injuries, I regret to say it was just not possible for us to follow through with the project previously or in the future.

If there is any further information you may require please feel free to contact me at

530-288-0906.

Sincerely yours,
