Topic: IID/SDCWA transfer petition

Mr. Rodegerdts called to ask about the possibility of an exception to the requirement that participants list their witnesses on the notice of intent to appear form due Feb. 25th. He explained that the Farm Bureau may not know by the 25th who its witnesses will be.

I informed Mr. Rodegerdts that I do not have the authority to waive the requirement to list witnesses and a brief description of their proposed testimony. I advised him that if the Farm Bureau desires an exception to the requirement it should submit a written request to the hearing officer, and serve the request on the entire service list.
