

2/16/10 Bd. Mtg.
Kern River
Deadline: 2/9/10 by 12 noon

John Kidd
5408 Valleybrook Dr.
Bakersfield, CA 93308

Dear Ms. Townsend-

I want to urge you to communicate to the board my (and many others') strong support for re-watering the Kern River at the area where it passes through Bakersfield.

We desperately need the ground water replenished in this area and in the area downstream of Bakersfield. Also, this will help in restoring the riparian zone to a more natural environment for flora, fauna, and people.

Thank you for relaying my concerns to the board.

John Kidd
