Subject: COMMENT LETTER - 2/16/10 BOARD MEETING ITEM: ORDER KERN RIVER
CC: <lhenry@bakersfield.com>

Dear Jeanine Townsend,

Regarding restoring water flow to the Kern River in Bakersfield CA,

1. I agree with the staff's finding that there is water available on the Kern River.
2. I support the City of Bakersfield's application to run available water down the riverbed.
3. I believe that running water in the riverbed will help replenish the aquifer, restore the natural environment and provide recreation.

Thank you for your consideration.

Regards, Ken Mulder - (Taxpayer and Citizen)
