

2/3/2010

Dear Jeanie Townsend,

I agree with state's findings that there is water available on the Kern River.

I support the city of Palmdale's application for available water above the riverbed.

Running water in the riverbed will help replenish the aquifer, restore the natural environment, provide recreation.

I am 84 years old, born in Palmdale and a running water river would make me very happy.

Best regards,

Mrs. Jim Bucke
