Subject: Comment Letter - 2/16/10 Board Meeting Item: Order Kern River

Ms. Townsned, Clerk to the board, State Water Resources Control Board,
I agree with staff's finding that there is water available on the Kern River.
I support the City of Bakersfield's application to run available water down the Kern riverbed.
Running water in the riverbed will help replenish the aquifer, restore the natural environment, provide
recreation.

Thank you,
Philip Cunningham
