Ayukii (hello) Hearing Officer,

The Karuk Tribe submitted its Exhibit filing on 10/6 within the filing timeframe but it appears that a technical difficulty caused our zip-file to not go through. I respectfully request that our re-submission be accepted and good cause be found due to this technical error. We also filed an amended NOI adding Mr. Craig Tucker as a non-expert witness and asking for 10 extra minutes for witnesses.

Yootva (thank you)
