Hello,

Attached is the spreadsheet to show the examples and analysis that I used for the Marble Mountain Ranch bypass flow recommendation. I will explain these charts tomorrow on the conference call. You can use the link below to connect to the Webex site once we get the conference call going in the morning.

Talk to you tomorrow at 8,

Margaret

The call in number is [877-336-1828](tel:877-336-1828) and the passcode 173035#. I realize that some of the people receiving this e-mail may not currently be available on Thursday morning. However, I wanted to keep you included so that you receive the information from Margaret and also, just in case your schedule changes. Talk to you on Thursday!

### Bypass flow at Highway 96
