
State Water Resources Control Board

July 2, 2013

Vice Chair Spivy-Webber and Board Member Moore:

The Division of Water Rights prosecution team (Division Prosecution Team) and the Monterey County Water Resources Agency (Agency) have reached a settlement agreement resolving the Notice of Proposed Revocation regarding Permit 11043, dated January 6, 2010. A condition of the settlement agreement is that the Division Prosecution Team will withdraw the above-referenced Notice of Proposed Revocation. The settlement agreement does not, however, take effect unless and until approved by the State Water Board's Executive Director pursuant to Government Code section 11415.60. Therefore, we request that the hearing scheduled for August 13, 2013, be taken off the calendar pending approval of the agreement by the Executive Director. Please let me know whether this request will be granted so that the parties know whether we need to submit testimony and exhibits by July 10, 2013, as per the Revised Notice of Public Hearing dated May 14, 2013.

Thank you for your consideration of this matter.

Sincerely,

David Rose
Staff Attorney,
Division of Water Rights Prosecution Team
