Subject: Joint Request for Extension - Milovina Draft CDO and ACL Hearing

*To comply with ex parte rules, counsel to the Milovina's is copied on this email.

To the Hearing Team,

On behalf of the Parties to the above-referenced matter, the Division of Water Rights Prosecution Team and the Milovina's make this joint request for a one week extension to the deadline on Tuesday July 28, 2015 for proposed witness testimony and exhibits. For the past several weeks, the Parties have been engaged in settlement negotiations and are close to reaching an agreement in principle in the very near term. A one week extension would allow the Parties to finalize the settlement terms.

We would greatly appreciate an additional week extension to next Tuesday's deadline. Thank you in advance for your consideration of this request.
