Subject: RE: Joint Request for Extension - Milovina Draft CDO and ACL Hearing

Mr. Murphey,

The Parties reached settlement in principle in this matter on Tuesday. As of late this afternoon, the Prosecution Team is in the final stages of memorializing those terms in the Settlement Agreement and Draft Executive Director Order approving the settlement. Mr. Johnson and I would appreciate an additional extension to the August 4th date granted below to allow for sufficient time for review and execution by our respective clients.

We would ask for an additional 10 days (August 14th) with the understanding that the Parties are aware that time is of the essence and endeavor to execute the agreement prior to that time.

Thank you for your consideration.

Respectfully,
