

DIVISION OF WATER RIGHTS
State Water Resources Control Board
CONTACT REPORT

DATE: October 16, 1995

SUBJECT: Application 553

DIVISION PERSONNEL: Robert Been

INDIVIDUAL/AGENCY CONTACTED: Mozafar Behzad (^{Licensee's} ~~Applicant's~~ Agent)
Phone: 909-793-6675

CONVERSATION DESCRIPTION: I contacted the agent to obtain a more complete description of the various alternatives of the proposed project and to confirm that the water has not been used during the last five years. Mozafar stated that since 1991 the water has not been used (property was purchased that year by Ferydoun and Doris Ahadpour). The proposed project to develop a drinking water facility is in the planning stages at this time. The alternatives being investigated includes: (1) a water treatment facility at the project site, (2) a pipeling transporting the water to a treatment facility, or (3) trucking the water to a treatment facility.

Action Items: Prepare and mail notice of petition to change the purpose of use from irrigation to industrial.
