¹ North San Joaquin Water Conservation District intends to request leave of the hearing officer to exceed the time limits contained in the Notice of Public Hearing. This request will be made in writing prior to the pre-hearing conference May 23, 2007, and the request will be served on all parties to this proceeding. In the event that the hearing officer denies this request in whole or in part, County of San Joaquin, San Joaquin County Flood Control and Water Conservation District and Mokelumne River Water and Power Authority will present the witnesses identified above. If the request is granted, it will be unnecessary for County of San Joaquin, San Joaquin County Flood Control and Water Conservation District and Mokelumne River Water and Power Authority to present a case in chief, and it will simply be making a policy statement and cross-examination and rebuttal.
