Subject: Stanford Vina Draft CDO Hearing

All,

The California Department of Fish and Wildlife (CDFW) has received and reviewed the Stipulation and Proposed Order circulated on November 20. We appreciate the work that has gone into developing them. CDFW notes that it is not a signatory to the Stipulation. However, we have no objections to the terms of the Stipulation as it settles the June 12, 2014, Draft Cease and Desist Order by requiring compliance with the October Curtailment Order and the Emergency Regulations and additional reporting of daily diversions. We also have no objections to the indefinite extension and cancellation of the hearing.

Thank you,

Shannon Little
