Dear Sir:

Protest having recently been received against your above numbered applications, information on the enclosed leaflet will be of interest to you.

If objections can be settled by agreement and protests withdrawn the delay and expense incident to a public hearing required by law on protested applications may be avoided. Unless you can arrange for withdrawal of the protest answer thereto becomes due on or before February 10, 1928. Your courtesy in giving the matter prompt attention will be appreciated.

Any other protests which may be filed against the application should also be answered by that date unless there is a prospect of withdrawal.

Very truly yours,

(HAROLD CONKLING)
