Applications 5169-5170-6131-6534

Mr. W. H. Wallace  
Project Manager  
Truckee-Carson Irrigation District  
Newlands Project  
Fallon, Nevada

Dear Sir:

Receipt is acknowledged of your letter of June 7th in answer to office letter of June 6th. Inasmuch as your withdrawal of protests against Applications 5169 and 6534 was conditional it is considered that the protests are still in effect and you will receive due notice of the hearing when same is scheduled. It is noted that you do not wish to withdraw your protest against Application 5170 and you will receive notice in regard to this application in due time. As a matter of fact a joint hearing will be called on all four of these applications and at least twenty days advance notice will be given to all interested parties.

Very truly yours,

E. F. ARYAN
