Dear Sir:

Re Applications Nos. 5169 and 6131.

A situation has arisen which renders it necessary for this District to revoke its withdrawal of the protest filed against the above-mentioned Application No. 5169 and to request that the hearing upon this application be postponed until the operative date of the Truckee River Agreement. Please consider this letter in the nature of such revocation and request.

As the plans of this District under Application No. 6131 are wholly dependent upon developments under the Truckee River Agreement, it is also requested that the hearing upon this application be likewise deferred until the operative date of that agreement.

The following-named persons, in addition to the writer, expect to be present and represent this District at the hearing scheduled for October 4, 1938:

Geo. G. Miller	President
H. W. Emery	Secretary
A. L. Haight	Attorney
E. P. Osgood	Engineer

Yours very truly,

*W. H. Wallace*

Project Manager.
