

Applications 5169, 6534

July 7, 1952

Mr. Chester C. Taylor, Engineer-Manager
Washoe County Water Conservation District
Title Insurance Building
29 East First Street
Reno, Nevada

Dear Mr. Taylor:

Your letter of July 2, in connection with the permits issued in the matter of Applications 5169 and 6534, is acknowledged.

It is noted that you and Mr. Robinson will come to Sacramento for a conference in connection with these permits as soon as the press of other business will permit.

As to whether or not someone from this office will meet with your Board of Directors to explain the situation with respect to the permits will depend upon what transpires at the above mentioned conference.

Very truly yours,

A. D. EDMONSTON, STATE ENGINEER
