PROTEST

Application 15673

I, California Department of Fish and Game  
Name of protestant  
of 722 Capitol Avenue, Sacramento, California  
Post-office address of protestant  
have read carefully a copy  
of, or a notice relative to Application 15673 of U. S. Bureau of Reclamation, Salt Lake City,  
State name of applicant  
Utah to appropriate from Little Truckee River, tributary to Truckee River  
Name the source  
at a point within Section 28, T 19 N, R 17 E, MDR&M  
Describe location of applicant's point of diversion

It is desired to protest against the approval thereof because to the best of OUR information and belief the  
proposed appropriation will result in injury to us as follows: My or our Destruction of fish life, property  
of the State of California because the amount of water to be diverted is  
greater than the known minimum flow of the stream at times.  
Me or us State the injury which will result to you

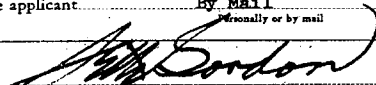

Protestant claims a right to the use of water from the source from which applicant proposes to divert, which  
right is based upon Section 525 of the Fish and Game Code (see reverse side)  
Prior application, notice posted or use begun prior to December 19, 1914; riparian claim, etc.

The extent of present and past use of water by protestant or his predecessors in interest from this source is as  
follows: Trout are present and spawn naturally in Little Truckee River, tributary  
to Truckee River, also Little Truckee River is a major fishing stream in the  
Truckee area and thousands of catchable trout are planted in it each year.  
State approximate date first use made, amount used, time of year when diversion is made, the use to which water is put

Where is your diversion point located? 1/4 of 1/4 of Section  
Describe location with sufficient accuracy that position thereof relative to that  
T. R. B. & M.  
of applicant may be determined

This protest may be disregarded and dismissed if Terms for the dismissal of this protest  
cannot be stated until detailed plans and operating schedules are made  
available by the applicant.  
State conditions which will relieve protest

A true copy of this protest has been served upon the applicant By Mail  
Personally or by mail

NOTE

A concise and definite statement of the grounds of protest is desired. This statement should take the form indicated on the blanks on the reverse side of this sheet. Additional information may be added below if there is insufficient space in the blanks, or data not pertinent to those blanks, but insofar as practicable it is desired that protests follow the printed form.

Section 525 of the Fish and Game Code reads in part that:

"The owner of any dam shall allow sufficient water at all times to pass through a fishway, or in the absence of a fishway allow sufficient water to pass over, around or through the dam, to keep in good condition any fish that may be planted or exist below the dam . . ."
