VICTOR VALLEY WASTEWATER RECLAMATION AUTHORITY'S PETITION FOR CHANGE FILED PURSUANT TO WATER CODE SECTION 1210, ET SEQ. – SAN BERNARDINO COUNTY

The purpose of this letter is to respond to Victor Valley Wastewater Reclamation Authority's (VWVRA) letter of September 28, 2001 addressed to Edward C. Anton, Chief of the Division of Water Rights. VWVRA informed Mr. Anton that it withdrew, in its entirety, its petition to change the point of discharge, place of use, and purpose of use of treated wastewater. VWVRA stated that it withdrew its petition without prejudice, and without waiving any rights to proceed with recycled water projects in accordance with state and federal law. VWVRA stated further that it assumed that the State Water Resources Control Board (SWRCB) would cancel consideration of a draft order denying the petition at the public workshop scheduled for October 18, 2001, and that the SWRCB would notify the parties to this proceeding and interested persons of the cancellation.

In view of the fact that VWVRA has withdrawn its petition, consideration of the draft order at the October 18, 2001, workshop is cancelled and the proceeding on VWVRA's petition is hereby dismissed.

If you have any questions please contact Ms. Dana Differding, Staff Counsel, in the Office of Chief Counsel at (916) 341-5188 or Ernest Mona of the Hearing Unit at (916) 341-5359.

Sincerely,

Arthur G. Baggett  
Chair
