Re: West Side Irrigation District/Water Right License 1381 (Application 301)
Request for Hearing on Notice of Proposed Partial Revocation
Your Ref: KDM:301

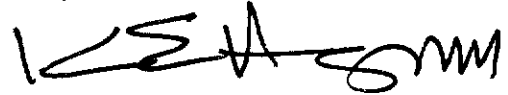

Dear Mr. Kassel:

West Side Irrigation District ("District") received the State Water Resources Control Board's ("State Water Board") Notice of Proposed Partial Revocation ("License Revocation"), dated January 25, 2008, regarding the District's water right License 1381 (Application 301).

The District hereby formally requests a hearing before the State Water Board on this proposed License Revocation. Due to the amount of evidence required for submittal and the length of time to prepare for this hearing, we request that the State Water Board not schedule the hearing for at least nine (9) months from now.

Should you have any questions, please feel free to contact me.

Very truly yours,

KARNA E. HARRIGFELD
