RE: WIC CDO Rehearing - Settlement

Dear Hearing Officers Spivy-Weber and Moore:

This letter provides an update on the settlement in this matter.

My previous letter on September 16 mentioned we were still missing six landowner signatures. We were actually missing five signatures at the time, and have since acquired two additional signatures: Singh Farms and Helen Costa Tr. et al. The signature for Singh Farms is attached. The Costa Tr. signature is being hand delivered to me and will be forwarded upon receipt. We are still trying to contact and obtain signatures for the following three landowners:

1. Vierra, Larry et al.: 160 acres (APN 131-280-01)
2. Peters, Marie Tr et al.: 39.29 acres (APN 162-070-03)
3. Dunkel, Mark & Valla: 38 acres (APN 162-090-01)

We will continue our efforts and advise when we obtain these signatures, however these landowners may be difficult to contact and it is possible we will not be able to obtain signatures from all three of them. We do not think that these signatures are required in order for the parties and Board to proceed as outlined in the agreement executed by the parties.

Very truly yours,

JENNIFER L. SPALETTA
