In re: Draft Order 2009-00XX-DWR	)	TESTIMONY OF TIMOTHY
	)	GRUNSKY
Woods Irrigation Company	)	

My name is Tim Grunsky and I am President of Woods Irrigation Company. The Woods Irrigation Company was incorporated on December 17, 1909 per WIC Exhibit 11A. Although some of the corporate records are missing or destroyed, the records indicate the corporation began delivering water from at least 1910.

The corporate minute books are locate at the offices of our attorney, I am generally familiar with them and have reviewed some for purposes of this hearing. From that review I confirm that the minutes presented in Mr. Neudeck's testimony are true and correct copies of those in the corporate minute books.

My familiarity of the records and history of the corporation lead me to conclude that Woods Irrigation Company has been delivering water to all of the lands within it boundaries from at least 1910 through the present. The records show no cessation or decrease in deliveries.
