Subject: Opposition to AB2121

Please Help Sea Ranch. I live on The Sea Ranch and first learned about AB2121 late Saturday night. The Sea Ranch Community Manager/CEO of our Water Company failed to tell The Sea Ranch Board of Directors or residents of Sea Ranch about the draconian measures of AB2121. The manager also failed to respond to the Draft EIR. AB2121 could leave our homes without water for weeks or even months. There would be inadequate water for fighting fires, and we risk losing our homeowner's insurance policies. I urge you to ask the SWRCB to grant us a 90-extension time to respond to AB2121.
