Subject: Proposed Policy AB 2121

To: Janine Townsend, Clerk
State Water Resources Control Board

From: Joseph Alessandri
39928 Leeward Road
The Sea Ranch, CA

The proposed policy dated February 2010 is very complicated and has potentially far reaching and serious consequences for communities and people along California's north coast. No public hearings or workshops have been held on the coast near affected communities. People in our communities need to be informed. I strongly urge the SWRCB to:

Extend the comment period for six months.

Schedule workshops in a couple of locations on the coast.
