Subject: Comment Letter - AB2121 Policy - Timothy Bower - concerns and request for extension of time

To: State Water Resources Control Board

From: Timothy Bower, property owner, 35291 Fly Cloud Road, The Sea Ranch, CA 95497

It has come to my attention that the implementation of AB2121 could leave me and my family without water supply for an extended period of time. Please extend the comment period for 90 days so I can review and comment more extensively on how this will affect me. And please hold public hearings and workshops in our North Coast Region that is so affected by this proposed policy.

Thank you for your consideration,

Timothy Bower
