Charles M. Sambol
Attorney at Law
P. O. Box 730
Fall River Mills, CA 96028

Dear Mr. Sambol:

In answer to your August 2, 1985 letter concerning the Knoch's pre-1914 appropriative water right, the Knoch's water right is senior to that exercised by Pacific Gas and Electric Company. Therefore, we make water available, on demand, to Knoch at the head of his pipelines at "Knoch's Race."

Our gauge records indicate that, for at least the last five years, the maximum daily diversion at this point has been 20 cubic feet per second.

Sincerely,

Roger K. Borkey
Intermountain Area Manager
